

Empowering you to make smart energy choices

“We are offsetting our operational costs and sharing best practices with our partners so that they can also take advantage of this energy program”

Greater New Haven Chamber of Commerce President Anthony Rescigno

Greater New Haven Chamber Leads By Example, Achieving Energy and Cost Savings

The mission of the Chamber is to provide partner services, including advocacy, networking, economic development and leadership events, to help promote regional growth. The Chamber helps by educating and providing cost saving ideas for the businesses they serve in Bethany, Branford, Cheshire, Guilford, Hamden, Madison, Milford, New Haven, East Haven, North Branford, North Haven, Orange, Wallingford, West Haven and Woodbridge.

United Illuminating helped guide the Chamber to utilize the Small Business Energy Advantage program to maximize their own cost savings at their facility. The Chamber was able to reduce energy costs and improve lighting for their entire office, installing roughly 256 LED fixtures, including linear, recessed and exit sign lights. They are projected to save an estimated \$5,169 annually through the lighting upgrades.

Project:	Greater New Haven Chamber of Commerce
Measures:	Installation of 256 LED fixtures including linear, recessed and exit signs
Fund Incentive:	\$12,092
Energy Savings:	28,714 kWh electricity/year
Estimated Cost Savings:	\$5,169 electricity/year
